CHECKING-IN™

Geriatric Health Services

Checking-In™ is a complimentary program that provides:

- Routine phone calls to “check in” with older adults
- Access and referral to local community resources
- Friendly connection with other older adults

A volunteer will call you daily, weekly or monthly.

Please call (650) 725-9212 to register for this program.

This program is generously supported through the Robert Reed and Susan Siegel OpenHands Foundation.
